Ref.No.93505-G.1/52-1, dated 16th September 1952.

Sir,

Sub:-Establishment - Govt. Headquarters hospital, Mangalore Sri Francis Fernandez, temporary Male Nursing Orderly, Grade II - Relaxation of age for regular appointment -

44026

Sri Francis Fernandez was appointed temporarily to act as Male Nursing Orderly, Grade II, in the Govt. Headquarters hospital, Mangalore, from 20-12-1946. He is an ex-service candidate, and served in the war during June 1944 to December 1946 and was discharged in consequence of the reduction of the Indian Army on demobilisation. He has passed III form and second grade Nursing examination in the military. He was 37 years when he was appointed as temporary nursing orderly. The District Medical Officer, South Kanara recommends that as his work and conduct during the period of his service in the hospital have been satisfactory, he may be exempted from the prescribed age limit for appointment as Nursing Orderly.

2. In the circumstances I recommend that the Government may be pleased to relax the rule relating to age in favour of Sri Francis Fernandez to enable his regular appointment as a nursing orderly. A reference is in this connection invited to G.O.No. 2623 Health dated 26-7-51 wherein a similar relaxation has been made in the case of Sri M.N.Kuttikrishnan Nambiyar, Male Nursing Orderly, Govt. Headquarters hospital, Coimbatore.

Yours faithfully,

for Director of Medical Services.

Sub.:- Establishment- Govt.Headquarters Hospital, Mangalore -Sri Francis Fernandez, temporary male nursing orderly, Grade II-Appointment on a regular basis -Rule relating to age limit Relaxation of

Ref.:- From the D.M.S., No.93505-G1/52, dated 16/9/52.

Sri Francis Fernandez, an ex-service man, was appointed as a temporary Nursing orderly in the Govt. Headquarters Hospital, Mangalore, from 20/12/46. He has served in the last World War during June 1944 to December 1946. He has passed III Form and second grade nursing examination in the Defence Department. He was aged 37 years at the time of his appointment as a nursing orderly. The D.M.S. has recommended that the rule relating to age prescribed in the Madras General Subordinate Service for appointment of Nursing orderlies may be relaxed in his favour, so as to render him eligible for appointment on a regular basis, in view his uniformly satisfactory work and conduct. The nursing orderly is otherwise qualified to hold the post.

2. According to sub rule (4) of rule 10 of the General Rules for the State and Subordinate Services, a candidate who has rendered service in connection with the World War II, can have the period of his war service excluded in computing his age for his appointment. The age limit prescribed for Nursing Orderly, Grade II is 25 years. Even if the period of his war service of 2 years and 7 months is deducted from his age(37 years), he will not satisfy the age rule. It is therefore, for consideration whether the D.M.S's recommendation to relax the age rule in his favour may be accepted.
